Whereas the role of the United Nations has accordingly expanded in recent years;

Whereas the United States should take a leadership role in the creation of a multinational peacekeeping force, so

that the burdens of maintaining international security are more equitably shared;

Whereas the President, the Secretary of State, the Ambassador to the United Nations, and the Director of Central Intelligence have already articulated support for the creation of a United Nations Rapid Deployment Force similar to the forces contemplated under Article 43; and

Whereas there remain many unresolved questions about how the United States would implement an agreement to participate in an Article 43 force: Now, therefore, be it
